

heather community acupuncture clinic

What is community acupuncture?

The community acupuncture model provides affordable and accessible treatment by offering acupuncture in community settings paid for on a sliding scale.

About our service

- You will be seated in a chair for your treatment, which lasts 30—40 minutes
- The fee ranges from \$20 to \$40; cash or cheque only
- MSP coverage is available for those on Premium Assistance, and most extended medical plans include coverage for acupuncture
- We are open Monday through Thursday, 1 to 5 pm
- Please wear loose clothing that allows for pants and sleeves to be rolled past elbows and knees

How acupuncture can help you

According to the World Health Organization (WHO), the conditions that acupuncture can benefit are numerous, and include: musculoskeletal conditions, particularly pain, digestive problems, menstrual and menopausal concerns, arthritis, depression, stroke, headaches, migraines, high or low blood pressure, and more. Please contact us to discuss your particular situation.

Regular acupuncture treatments help to minimize the effects of stress and maintain overall health and well being.
